

K P F K PROGRAM FOLIO

NOVEMBER 30—DECEMBER 13, 1959

90.7 mc FM

Thank You and . . .

As our November fund raising campaign to meet KPFK's construction costs and to purchase necessary additional equipment draws to a close, may we thank those of you who have contributed. But not all of you have done so. For a few more days we will continue to saturate our air with announcements attempting to prod you into opening your checkbooks. And may we ask you here, if you have not already done so, please make whatever contribution you can. KPFK is the only radio station in Southern California whose programming is completely responsive to its listeners, not to the commercial sponsor. KPFK is also completely dependent on its listeners.

(Our Folio deadline prevents us from giving a detailed report on the contributions received so far. The information will appear in a later issue.)

Gift Subscriptions

We won't count the number of days until the 25th. There are enough other people doing that. Suffice to say, Christmas and Chanukah are near. May we suggest that a subscription to KPFK makes an ideal gift. The programs of KPFK, with the biweekly Folio as a guide, will bring a full year of enlightened entertainment to the recipient. We are also happy to announce that a twelve dollar gift subscription this year will bring a six-months subscription to the weekly BBC publication, *The Listener*.

The recipients of your gift subscriptions will receive a handsome card with your name inscribed along with their first Folio, which is being specially designed for the Holiday Season.

An envelope is enclosed in this Folio for your convenience in placing your order. May we also suggest that a friend in Northern California would enjoy a gift subscription to our sister station in the San Francisco Bay Area KPFA. In order to insure that your gift subscriptions are received by the 25th, please mail your order by December 15th.

Sets and Such*

To the many who would¹, but can't²:

Prices and quality are usually directly proportional. \$25 buys a Granco FM with minimum standards of reception. There's a big jump to \$60 for the cheapest of the Grundig (German) sets, but they offer AM-FM and some SW bands. The Zenith at \$45 offers good quality AM-FM, and Magnavox, GE, Hoffman, Philco, and other nationally known brands market are sets at somewhat higher prices. For comparative ratings see Consumer Reports.

For best reception in all areas an external antenna is desirable. A simple dipole is acceptable for "strong" areas, ranging to the multi-element broadband yagi for areas up to 250 miles from source. For installation consult a reputable TV-FM serviceman.

MUSIC LISTENER'S GUIDE

CLASSICAL MUSIC GUIDE FOR SOUTHERN CALIFORNIA

The problem of dissemination of information regarding classical music, both live and broadcast, in Southern California has been solved by MUSIC LISTENER'S GUIDE. This monthly publication offers details to live and broadcast classical music (both AM and FM). In this area the advance of top level music organizations has been hampered by lack of facilities, division of efforts, Hollywood thinking, Society control, and limited planning. The present proposal for a Music center in downtown Los Angeles is a step in the right direction, but it is questionable that one building can do justice to Concert and Opera. Southern California is rich in musical talent and music lovers who long for serious offerings in reasonable surroundings.

MUSIC LISTENER'S GUIDE, by consolidating information on Classical Music, hopes to stimulate interest in and provide an atmosphere of unity. Interesting articles concerning music, listings of highly recommended recordings, and news concerning concert stations are regular features. Concert broadcast details are provided for stations KBCA-FM, KCBH-FM, KDUO-FM, KFAC-AM & FM, KFI-AM and KFMU-FM. A handy listing of all FM stations with frequency, power, and location is included. The "Guide" is mailed in advance every month and is available for only \$3.50 for one year. A six month subscription is also available for \$2.00 on an introductory basis.
